****PUBLIC NOTICE****
**IDOT to Host Public Meeting to Discuss
US 6 Construction Project**

COLONA/COAL VALLEY – The Illinois Department of Transportation (IDOT) will host a Public Informational Open House on Tuesday, June 16, 2015, to inform the public and local businesses about the roadway improvements planned for the US 6 and IL 84 intersection near Colona. The informational meeting will be open from 3:00 p.m. to 6:00 p.m. at the Colona City Hall located at 100 East 9th Avenue in Colona.

The public is welcome to attend the meeting to review the construction staging and traffic plans for the project to reconstruct the intersection of US 6 with IL 84 to add turn lanes and traffic signals. The intersection will be closed in early July to build the new pavement.

The meeting will also provide area residents and business owners an opportunity to meet IDOT personnel and contractor staff that will be working on the project.

The meeting location is accessible to individuals with special needs. Anyone needing special assistance should contact John Wegmeyer, Project Implementation Engineer, at 815/284-5302 or email John.Wegmeyer@illinois.gov.
